Home Arts Gardening Marketing Three Question Survey

1. What type of business do you operate? (Example: garden center, nursery, or related horticultural business)

2. What would you most like your website to do better?
Examples might include:

- Attract more local search traffic
- Turn horticultural expertise into educational content
- Strengthen visibility for seasonal products and services
- Improve the performance of an existing blog

3. Which of the following best describes what you're looking for?

___ Visibility for Existing Content (updating and organizing current blog content

___ Growth Season Visibility Project (building a structured seasonal visibility system)

___ Visibility Maintenance Retainer (ongoing strategy and content development)

___ I'm not sure yet and would like guidance

Thank You

Once I receive your responses, I'll review them and follow up via email with my recommendations for the next steps to take.

This ensures that when we speak, we can focus directly on the opportunities for your business rather than starting from scratch.
